

Ilhem Missaoui

Date of birth: 08/04/1997 | **Nationality:** Tunisian | **Phone:** (+216) 27409677 (Mobile) | **Email address:** ilhem.missaoui08@gmail.com | **Website:** https://portfolio-phi-indol-46.vercel.app/ | **LinkedIn:** Ilhem Missaoui | **Address:** Sahloul, 4054, Sousse, Tunisia (Home)

ABOUT ME

Full-stack developer with 5 years of experience in web and mobile architecture (React.js, Next.js, React Native), specialized in multi-tenant SaaS applications, offline-first synchronization, and AI integration (OpenAI, Anthropic). Solid backend expertise (Node.js, Laravel, Spring Boot) and relational/NoSQL databases.

WORK EXPERIENCE

01/02/2026 - CURRENT - SOUSSE, TUNISIA

SOFTWARE DEVELOPER ALMINDHAR

- **Designing Voice2Work**, a multi-tenant SaaS for field intervention management (web + technician mobile app).
- **Frontend architecture** with Next.js 16/Server Actions and React Native/Expo for mobile, with offline-first synchronization.
- **Backend** built on Supabase/PostgreSQL, with Row-Level Security permissions and real-time subscriptions.
- **AI integration** (OpenAI, Anthropic) for automated diagnostics, plus Stripe Connect payments and Twilio notifications.

01/02/2023 - 30/09/2025 - SOUSSE, TUNISIA

SOFTWARE DEVELOPER NEHOS GROUP

- **JFS**: Intelligent matching platform connecting candidates and recruiters (Next.js, TypeScript, Tailwind), with Figma designs integrated as modular components (Storybook).
- **ViviTools**: Project planning tool inspired by the Business Model Canvas (React.js, Tailwind CSS).
- **GRON**: Platform for managing and tracking energy renovation projects. Frontend built with Next.js/Redux Toolkit, backend with Laravel/Eloquent ORM.
- Implemented CI/CD pipelines, technical documentation, and secure REST APIs (Sequelize, Swagger, SonarQube).

01/09/2021 - 30/11/2022 - SOUSSE, TUNISIA

SOFTWARE DEVELOPER PIXELIUM

- **PayDay Takaful**: Developed a salary advance payment platform (React.js, Node.js/Express) used by 3,000+ employees, with secure payment integration and CI/CD pipelines.
- **UNETP**: School and private institution management platform (Next.js, Node.js/Express, MongoDB) deployed for 1,000+ institutions and 200,000+ users.
- **School Management System**: Student and teacher management system built with Laravel/PHP/MySQL, with automated deployment via Git/GitHub.
- **Localira**: Fleet management platform with real-time GPS geolocation for 150+ vehicles.

PROJECTS

Real-time multiplayer chess game : Frontend built with Angular, backend with Spring Boot (dependency management and build via Maven, business logic), real-time communication via WebSockets for move synchronization, with game and move history persisted in PostgreSQL.

FoodFrenzy : Full management application for customers, orders, and inventory for a restaurant. Frontend built with Thymeleaf, HTML, CSS, and JavaScript; backend with Spring Boot using Spring MVC and Spring Data JPA (Hibernate); data persistence with MySQL; build and dependency management via Maven.

EDUCATION & TRAINING

01/09/2021 - 31/07/2024 - SOUSSE, TUNISIA

ENGINEERING DEGREE IN COMPUTER SCIENCE – SOFTWARE ENGINEERING- POLYTECHNIC SCHOOL OF ENGINEERING AND TECHNOLOGY

Level in EQF: 7

01/09/2017 - 31/07/2021 - MAHDIA, TUNISIA

APPLIED BACHELOR'S DEGREE IN COMPUTER SCIENCE – INFORMATION TECHNOLOGY- HIGHER INSTITUTE OF TECHNOLOGICAL STUDIES

Level in EQF: 6

SKILLS

Languages
JavaScript | TypeScript | PHP | Java

Frontend
React.js | Next.js | Angular | Tailwind CSS | Radix UI | Radix UI/shadcn

State Management
Redux/Redux-Toolkit | NGRX/RXJS | Zustand | TanStack Query

Mobile
React native | Expo

Backend
Node.js | Express | Laravel | Symfony | Spring Boot | Deno

Databases & ORM
MySQL | PostgreSQL | MongoDB | supabase | Sequelize | Eloquent ORM | Doctrine ORM

DevOps & Quality
Git | GitHub | GitLab | Docker | CI/CD | SonarQube | Husky | Swagger | Sentry

Integrations & Payment
Stripe connect | Twilio

Tools & Methodology
Figma | Storybook | Jira | Trello | Agile/Scrum | Maven

BaaS / Admin
Sonata Admin | Supabase

CERTIFICATIONS

CertiProf
Scrum Foundation Certification (SFPC)

Cisco
Cisco CCNA Certification

ACPC
ACPC Certificate of Achievement
